Wine is a pure reflection of its terroir and no other simple product sums up its cultural, geographical and historical origins in quite the same way. Wine is simple and complex also, that's why in this wine list every wine lover who is looking for a well-priced pleasurable indulgence will find some wonderful nectars.

We are proud to say that some of the appellations we have in this world wine list, are coming from independent family owned properties driven with passion and that you can only enjoy them here in Castlemartyr.

Enjoy a glass or a bottle to complement our amazing food and finish your journey with a beautiful sip of sweet wine.

So, we should leave the wine do the talking and wish you a memorable moment.

Don't be shy to ask for recommendations...

Please be aware that the vintages of some of the wines may be subject to change.
